The programme starts with an illustrated presentation on Wendover's History, in St Mary's Church, Church Lane, Wendover. During the presentation the character's names will be introduced in chronological order.

The presentation is then followed by a walk lasting about an hour. This walk is mainly level and about a mile in distance, with six stops to meet the fictional Wendover Inhabitants in costume. (If the weather is very inclement the "walk" will take place in the church).

The group is then brought back to the church by the final character where a delicious afternoon tea will be served, all freshly prepared and home baked. Finally, there is time to look around our historic church which dates from the 14th Century, talk to the characters, view the static display on Wendover's History.

Cost £6.00 per person including refreshments.

All Proceeds to St Mary's Church (Refurbishment Fund) Wendover.
